February 2019

Abstract

This document outlines personally identified traits with strength and weaknesses.

Communication Style and Personality:

- Is not good with subtly so make instructions as clear as possible, as too many instructions can 'clutter brain.'
- Apologetic in nature
- Keeps to tasks
- Prefers when is told clearly and concisely what is needed to be done
- Best contact hours 1100 hours onwards
- Has a job Friday - Saturday - Sunday: 1900 - 2300 hours

Deals with conflict by:

- Not fond of conflict
- Will try and understand the other persons perspective

Would appreciate:

- Make sure you are clear with your instructions
- Kept in the loop about the position and state of the project

Strengths:

- Enjoys collaboration
- Database design
- All rounder
- Writing

Weaknesses:

- Unit testing
- API's
- Not experience with Agile development

Extra details

Lives 30 minutes away- however will endeavour to be early
