**Present:** Reece Drage, Gabryel-Mason Williams, Eugenio Guarino, Adam Williams

### Notes:

- Adam is half a sprint behind, but he is quickly is catching-up. We'll take this into consideration in the next retrospective meeting.
- After careful consideration, we decided to get rid of the Development branch as it seems to be an unnecessary step
- Reece did some usability reviews and he is going to collect more
  - He is going to try and collect at least one usability reviews per sprint
- Mobile application: show a popup in the login screen of the mobile app to show the user how many sign attempts are left
  - Disable login button when signing in to avoid thread issues

### Next meeting's agenda:

- Work out the next sprint plan
- Retrospective review
