Abstract

This document outlines personally identified traits with strength and weaknesses.

Communication Style and Personality:

- Prefers face to face interactions
- Slow to reply to non-personal forms of communication i.e text, Facebook message
- Prefers email for work based Communication
- Dislike phone calls
- Contactable hours 0900 - 1700 hours
- Can come across as quite rude

Deals with conflict by:

- Gets on with it
- Generally will try and avoid it
- Prefers rules to be in place about how to deal with conflict

Would appreciate:

- People be professionally courteous
- People say when they are struggling so solutions can be found quickly
- People get the work they say they are going to do done

Strengths:

- Quick learner
- Pretty strong in all aspects
- Strong skills in Latex
- Back-end development is where he is most comfortable

Weaknesses:

- Poor communication skills when talking other than in person
- Single-minded (sometimes)
- Hates GUI and HCI (can do it but will lack motivation)

Extra details

Will not respond if receives messages outside on 0900-1700 hours

Easily frustrated when work that was expected to be done is not done
