PRCS252 Computer Science Integrating Project

Meeting Minutes — Group J

Current meeting: On Wedsnesday, May 1th, 2019, at 11.00am

Next meeting: On Friday, May 3th, 2019, at 10.00am

Present: Reece Drage, Gabryel-Mason Williams, Eugenio Guarino, Adam Williams

Notes:

- As there is still work that needs to be carried out before the project's deadline, we realised it is necessary to have another meeting, hence we decided to move the closure meeting to the 3rd of May
- Testing of the applications with discussion on their features and issues that need to be solved in the mobile and the web applications
- After a discussion on our combined efforts and achievements, we agreed that all the members should be entitled to full marks on all the criteria listed in the marking sheet as we carried out every task we were assigned at the sit-ups
- Before the end of the project, we will be focusing on solving the issues across all applications, report writing and preparation for the presentation
- As a team, we decided to book the presentation slot scheduled on Tuesday, May 7th, 2019 at 4:00 PM to 4:30 PM

Next meeting agenda:

- Discussion on Security and "pentesting"
- Clarification on documentation of the Code Reviews
- Final presentation
- Grading sheets
- Report progress
- Applications testing
